ACADEMIC APPOINTMENTS

July 2026– **Assistant Professor of Applied AI**
University of Chicago, Booth School of Business

EDUCATION

Sep 2020–May 2026 **Ph.D., Computer Science and Engineering**
University of Michigan
Advisors: Prof. Jenna Wiens, Prof. David Fouhey

Sep 2016–May 2019 **B.S.E., Computer Science and Engineering**
University of Michigan

Sep 2016–May 2019 **B.B.A., Business Administration**
University of Michigan, Stephen M. Ross School of Business

EXPERIENCE

May 2025–Aug 2025 **Research Intern**
Microsoft Research, Redmond, WA. Mentor: Cliff Wong.
Benchmarked and developed a computed tomography (CT) foundation model for cancer care.

PEER-REVIEWED PUBLICATIONS & PREPRINTS

*Denotes equal contribution.

AWARDS AND HONORS

1. Richard and Eleanor Towner Prize for Outstanding Graduate Student Instructors, 2025
Honors engineering GSIs who have demonstrated excellence in teaching; awarded to four of 135 nominees
2. 2nd-Place Presentation, CSE Graduate Student Honors Competition, 2023
Symposium in which doctoral students from five areas of computer science presented their research
3. HACKS Spirit Award, 2023
Recognizes the student who most embodies the HACKS Values within the CSE community
4. ECCV Outstanding Reviewer, 2024
5. AISTATS Top Reviewer, 2023

INVITED TALKS & PRESENTATIONS

AI for Clinical Diagnostic Decision Making: What Could Go Wrong?

Jan 2025	NYU Grossman School of Medicine, AI for Health Seminar
May 2024	General Motors, Women in Data Science Worldwide
Apr 2024	Massachusetts General and Harvard Medical, Vineet Raghu’s group meeting
Apr 2024	Meharry Medical College, Trustworthy AI in Medical Systems Workshop
Mar 2024	Lebanese American University, Computer Science Seminar
Feb 2024	University of Michigan, MICHAMP
Jun 2023	University of Michigan, 7th Summer School on Computational Interaction

A Robust Multi-Modal Approach to Diagnosing Acute Cardiopulmonary Conditions

Nov 2019	University of Michigan, Center for Healthcare Engineering and Patient Safety
Nov 2019	University of Michigan, MIDAS Symposium
Nov 2019	University of Michigan, AI Symposium

TEACHING

Guest Lectures

Oct 2025	Augmenting Clinical Diagnosis with AI, University of Michigan
Mar 2024	AI for Clinical Diagnostic Decision Making: What Could Go Wrong?, MIT
Nov 2023	Diffusion Models, University of Michigan
Oct 2023	Neural Networks, University of Michigan
Mar 2022	AI-Augmented Clinical Diagnosis, University of Michigan
Oct 2019	AI-Augmented Clinical Diagnosis, University of Michigan

Sep 2023–Dec 2023	Graduate Student Instructor, Introduction to Computer Vision Taught 260 undergraduate engineering students. Redesigned and delivered two guest lectures, hosted weekly discussions and office hours, and managed the scheduling and responsibilities of five other teaching staff.
Sep 2017–Dec 2020	Lead Teaching Assistant, Applied Business Statistics Taught 1,650 MBA students at the Ross School of Business. Hosted office hours, proofread examinations, and managed the scheduling, teaching, and grading efforts of 15 other teaching staff.
Sep 2016–Dec 2016	Teaching Assistant, Business Analytics and Statistics Taught 450 undergraduate business students at the Ross School of Business. Hosted office hours and proofread examinations.
Jul 2021, Jul 2022	Teaching Volunteer, AI4ALL Taught introductory computer science and AI to high school students in a summer program.

MENTORSHIP

Research Mentor

Sep 2025–	Alice Wanner, UM PhD
May 2023–May 2025	Gregory Kondas, UM undergraduate (now Columbia PhD)
Sep 2024–Dec 2024	ML4H Author Mentor Met biweekly with students to mentor research and guide submissions to the ML4H Symposium.
Jan 2020–Jan 2021	Lunch and Lab with a Grad Mentor Met with undergraduates to discuss graduate school pathways and the application process.
Dec 2021	Mentor, Give Merit, Inc. Led discussions for high school students on communication, problem-solving, and professional skills.

PROFESSIONAL SERVICE

Dec 2025	Program Chair, Machine Learning for Health Symposium Organized the program for a two-day event with 200+ attendees, co-located with NeurIPS.
Feb 2025	Program Chair, NYC Computer Vision Day Full-day event in NYC with 318 attendees, 20 universities, and 75+ labs.
Dec 2024	Outreach Chair, Machine Learning for Health Symposium Led the organization of mentorship programs and research roundtables at the ML4H symposium.
Sep 2024	Organizer, Women in Computer Science Seminar Series Seminar series at U-M featuring researchers identifying as women from academia and industry.
Dec 2023	Outreach Subchair, Machine Learning for Health Symposium Organized research roundtables at the ML4H symposium.
Dec 2021	Graduate Admissions Committee, University of Michigan CSE Reviewed graduate applications for the University of Michigan CSE department.

Oct 2021

Poster Session Organizer, Michigan AI Symposium

Coordinated a poster session featuring 50+ research posters and 200+ attendees.

CONFERENCE & JOURNAL REVIEWING

Conferences

AAAI, CVPR, ECCV, AISTATS, ML4H, MLHC, AAAI TAIH, NeurIPS, ICLR

Journals

TMLR, Journal of the American Medical Association (JAMA)
